SPORTS

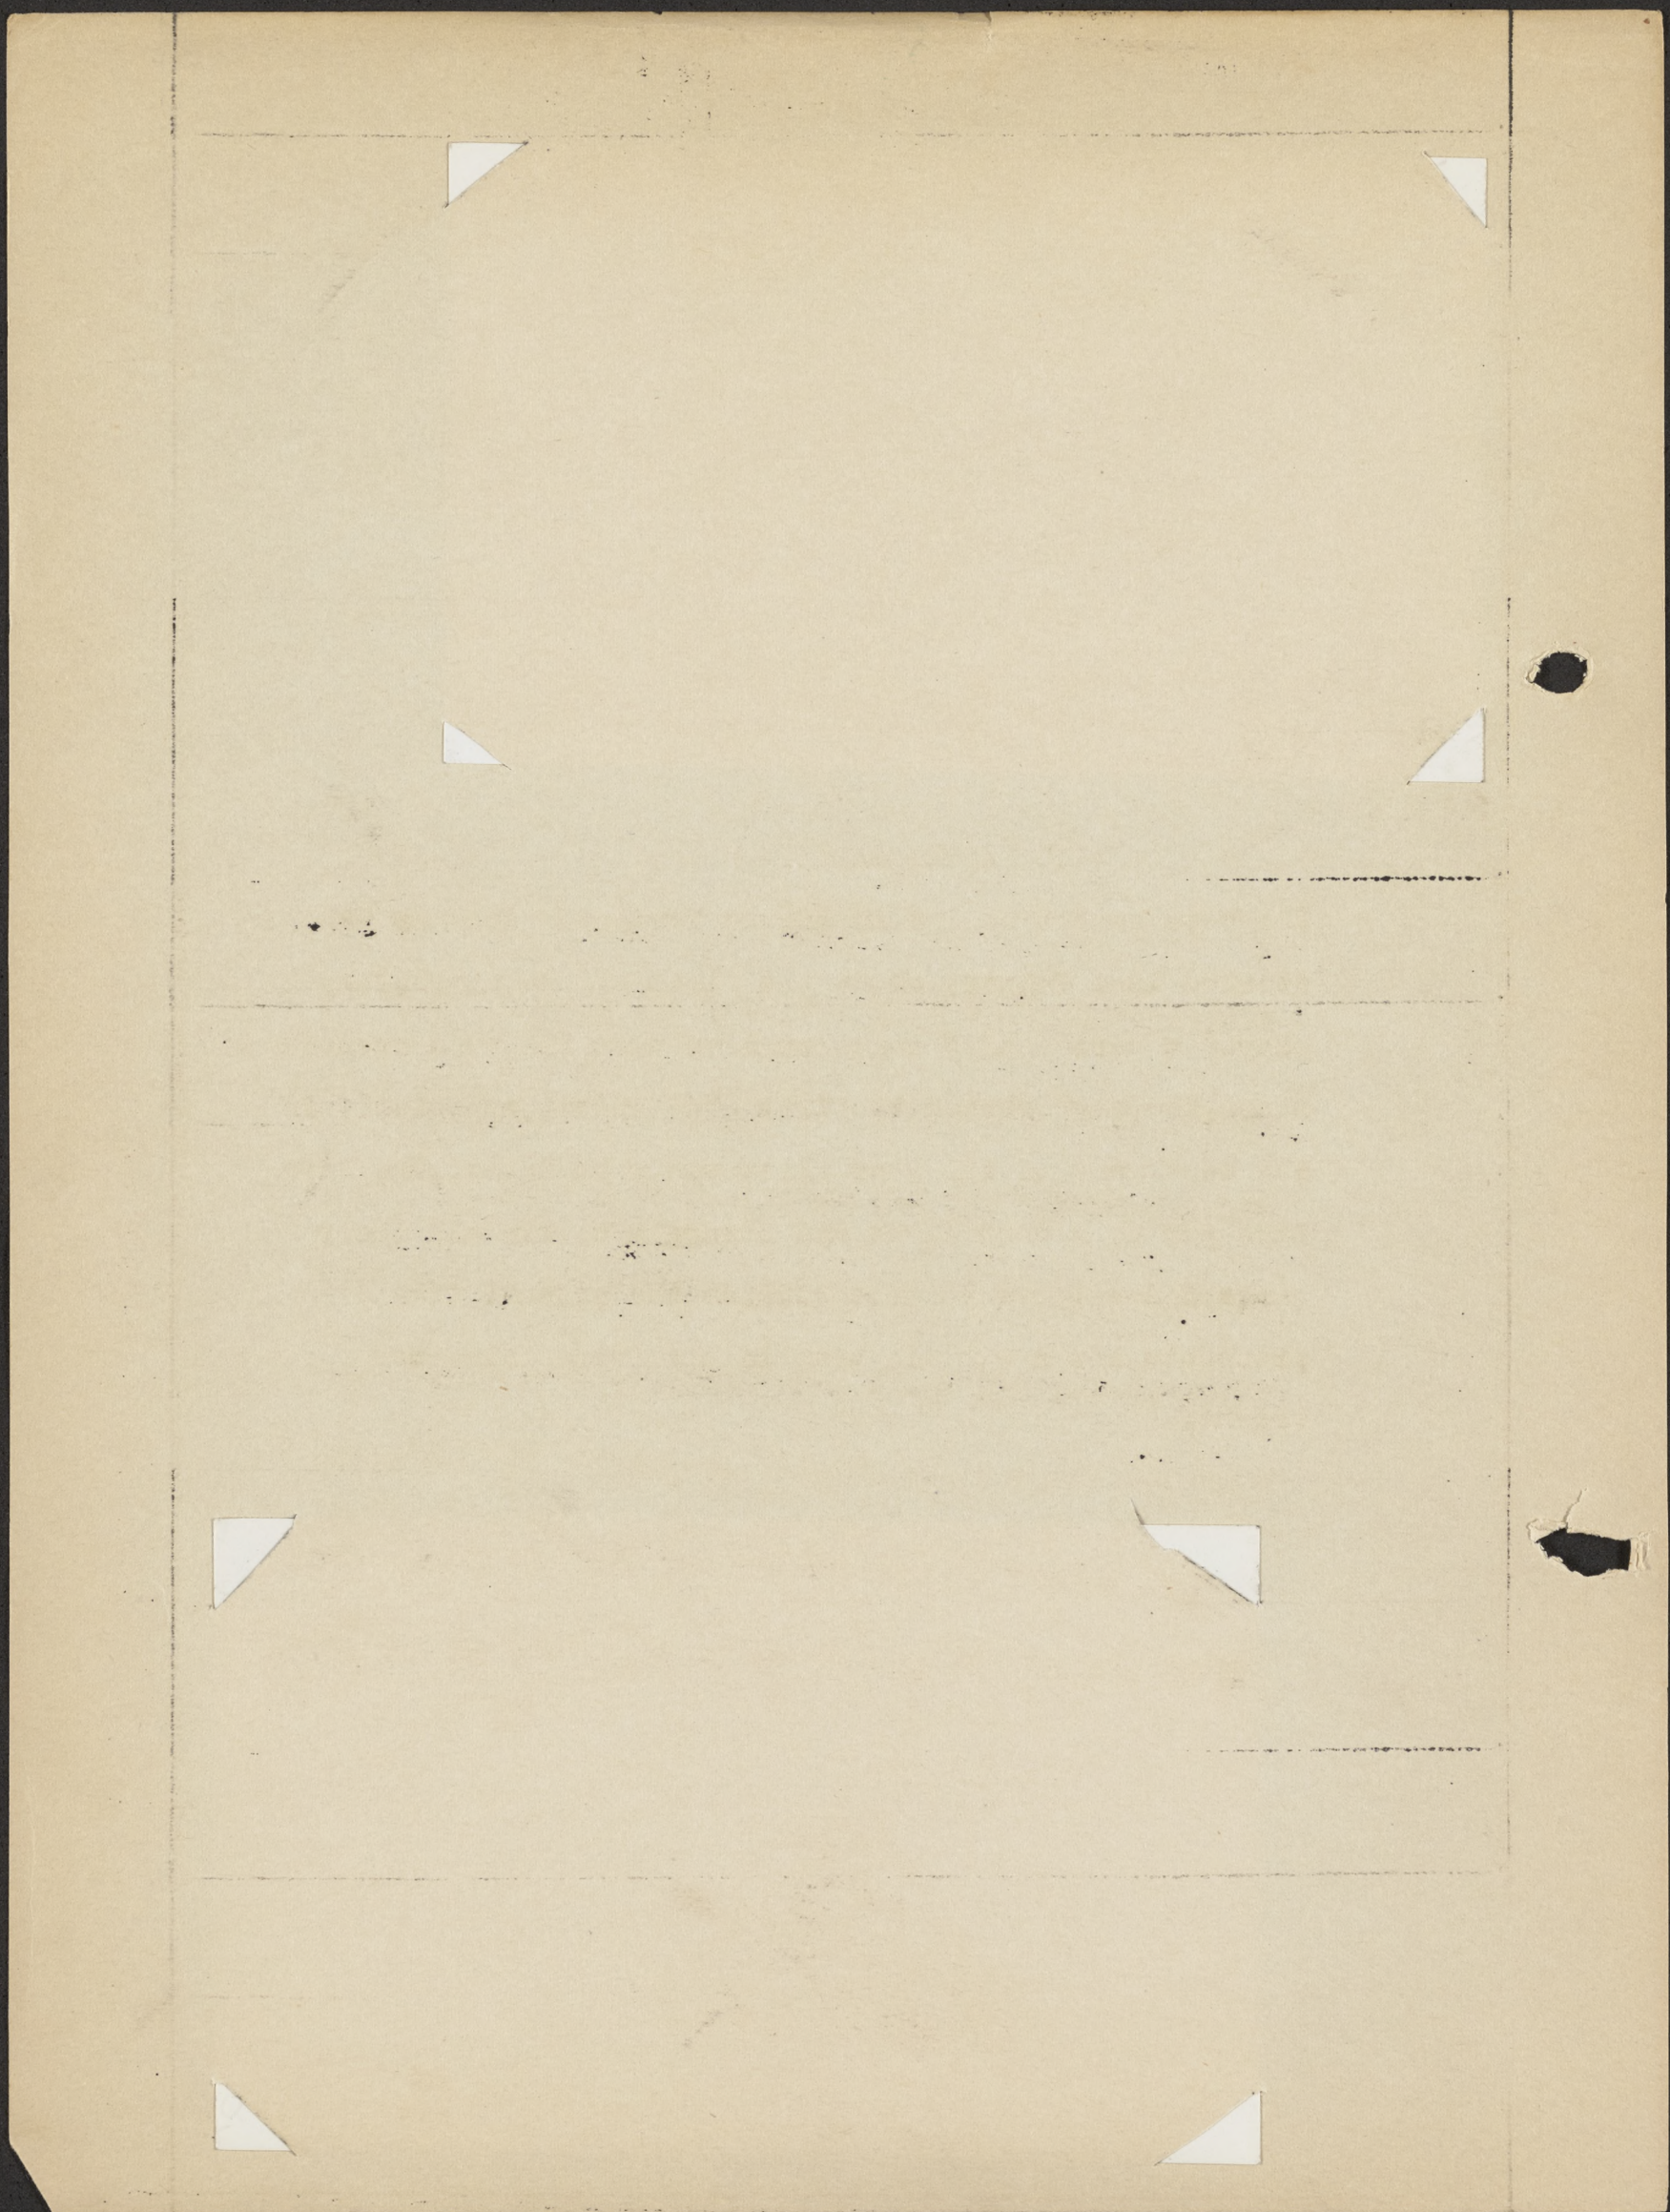

BOYS BASKET BALL

The boys basket ball team of the Irvington Grammar School started last January about the fifth of the month. They played a series of 5 games winning them all by a tremendous score. The boys showed the Irvington spirit, especially in the best game of the year which was with Decoto. The boys have put up a hard fight and struggle to win all their games, and were very successful. At the present time prospects for a winning team in the future are very bright.

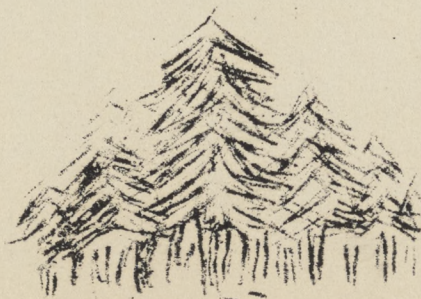

TRACK

Irvington Grammar School took first place in the annual track meet held at Washington Union High School May 3rd at the May Day exercises, by making the highest score which was 30 points. The second was Decoto with eighteen and one third points. Ernest Garcia won the high and broad jumps making ten points for Irvington. We also expect to win and put out just as good a team in the future track meets as we have done in the past.

GIRLS BASEBALL

The girls baseball team a little late this year. They were still busy practicing basketball when it was time to begin baseball. The girls had just begun when they had to play on May Day at Washington High School. They had worked hard to defeat Decoto but they lost the game.

The girls of the lower picture are Irene Miniz (Capt) at the bat, Racel Garcia catching, and Lucille Rose as she slid on home from a three base hit made by Adeline Costa.

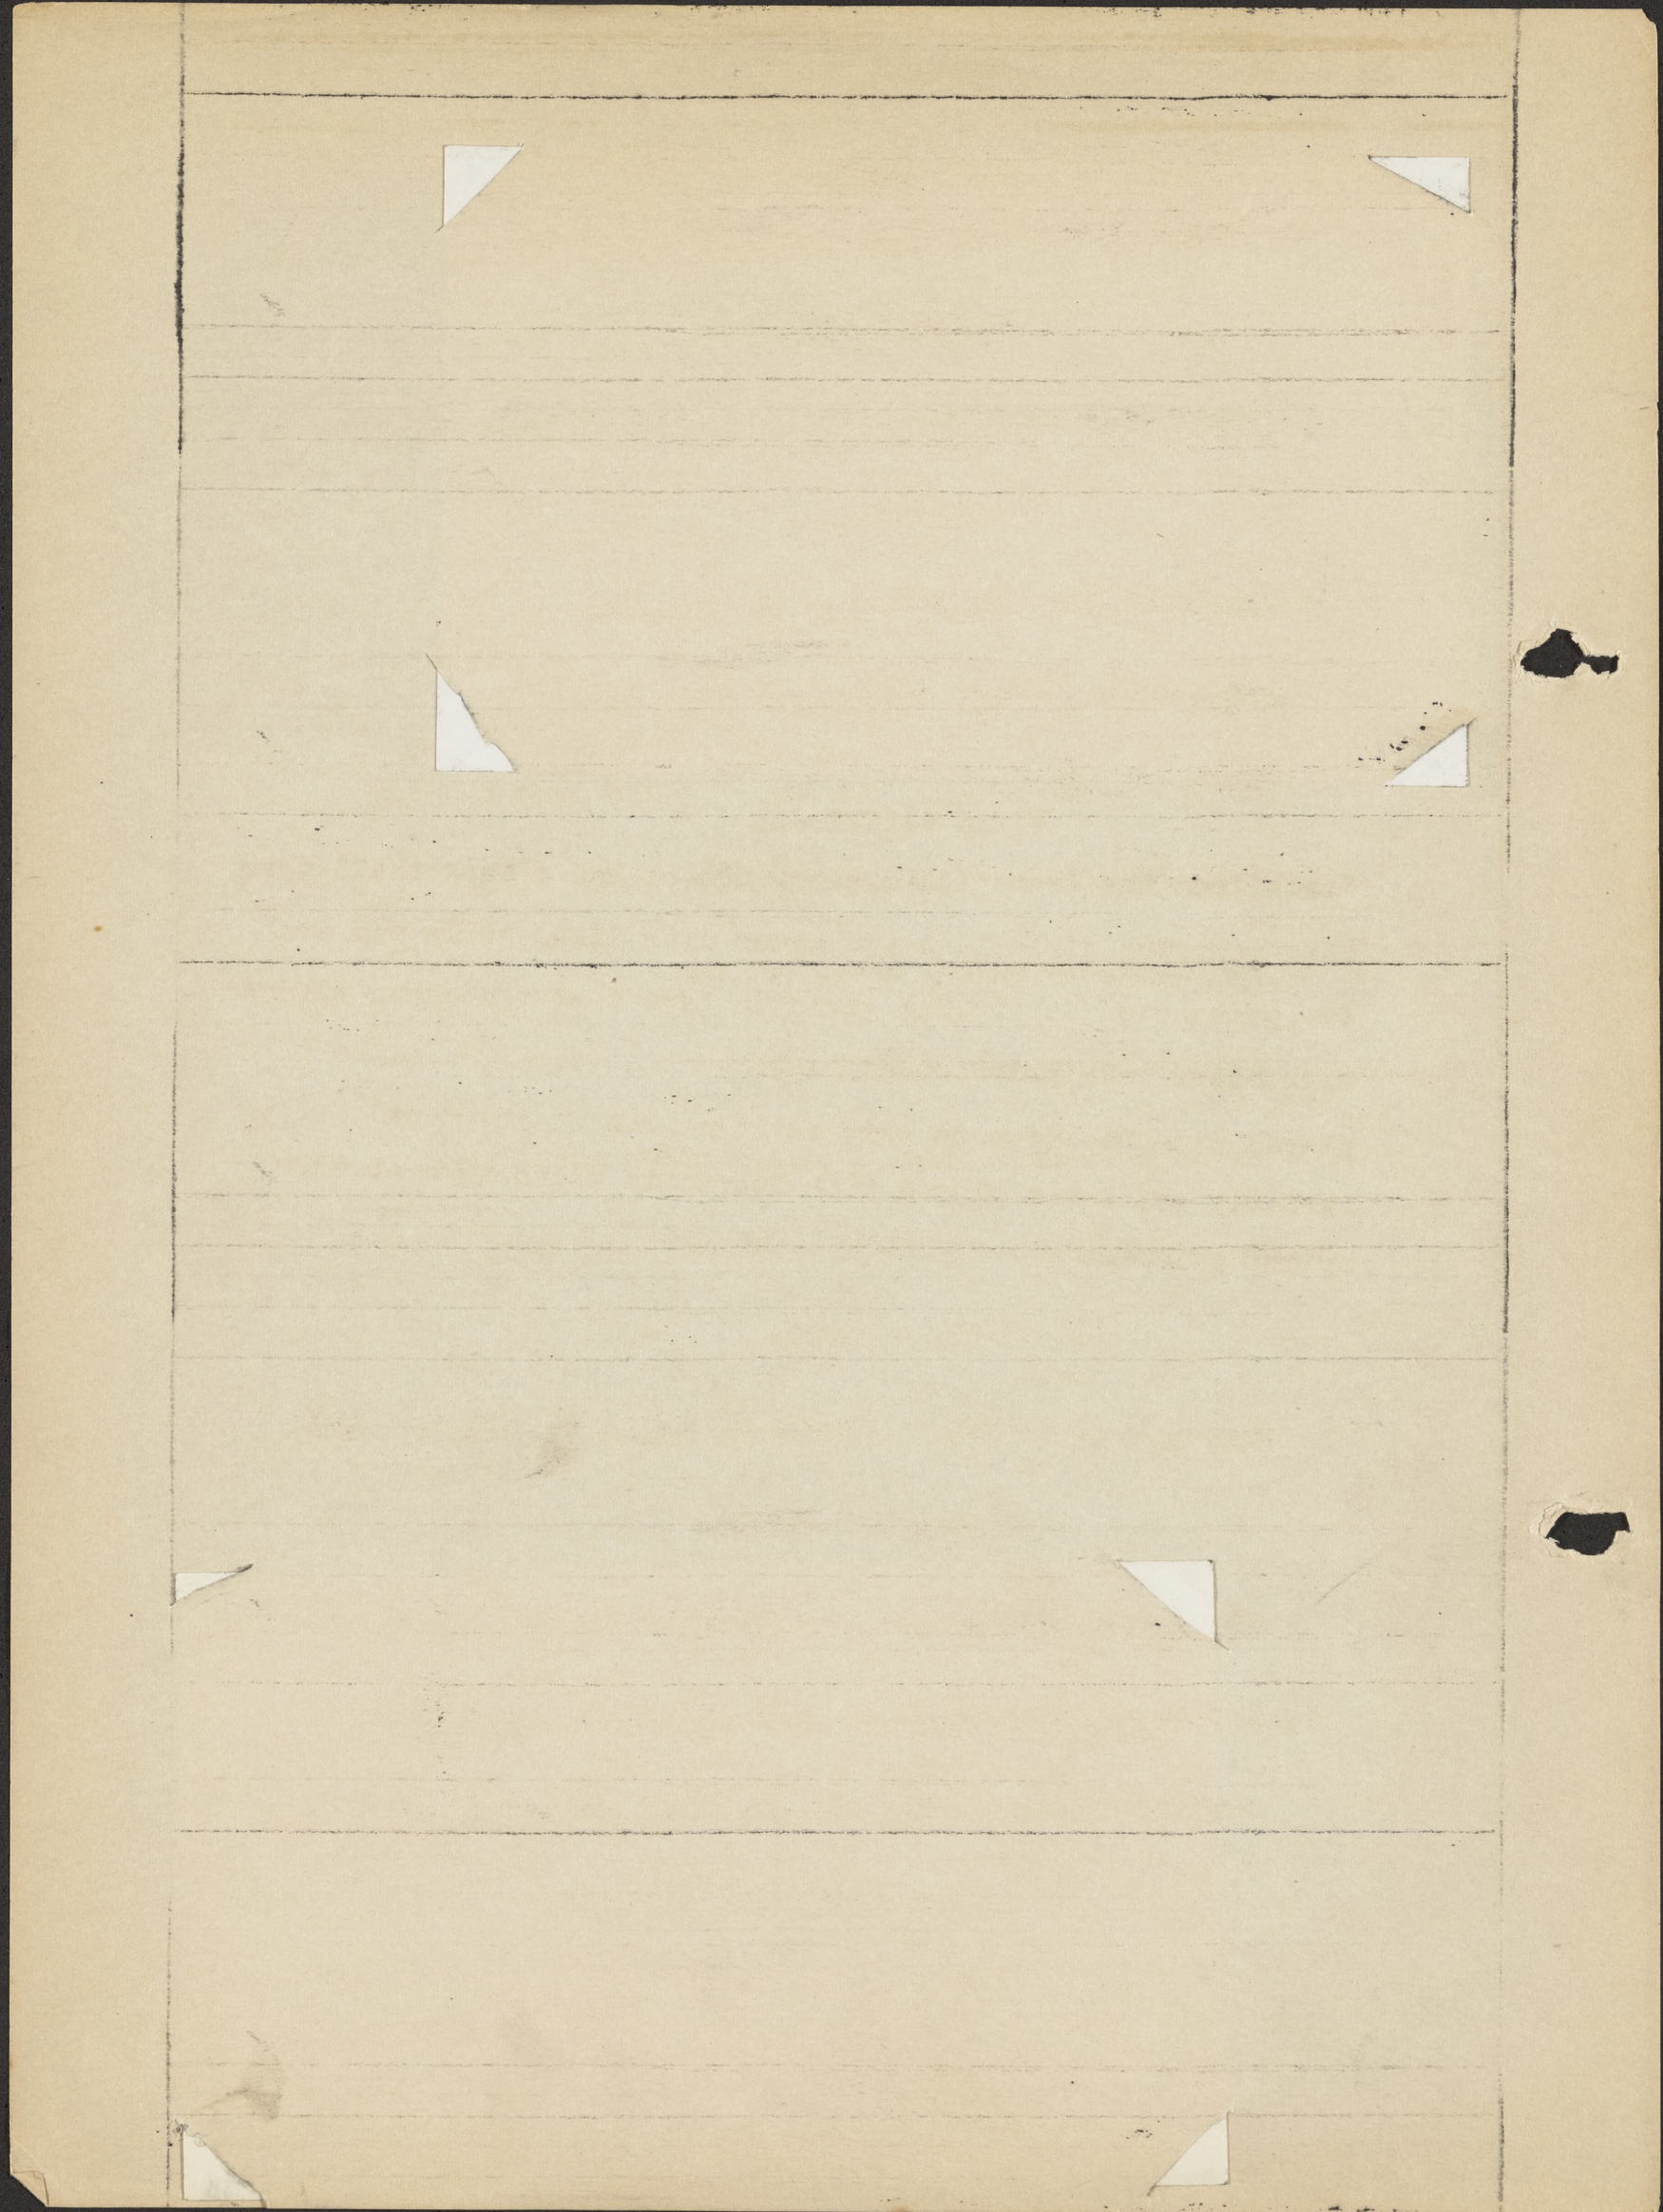

GIRLS BASKETBALL

Girls from the Irvington Grammar School had a basketball team this year. The girls lost two games with Niles girls and won two games with Decoto. The girls declare that the games played with Niles were practice games to beat Decoto. The games played with Decoto were very exciting. One of the most exciting games was played with Decoto in which we beat them by two points.
